**380 Orange Lane – Casselberry, Florida 32707**

***Innovative Racing Electronics***

---

(P/N 25-VSEZX14K6P). These 4 into 1 systems feature light-weight stainless steel construction and weigh in under 12 lbs with the included baffle and end cap installed. It has head pipes stepped from 1 1/2" to a large 1 7/8" flowing into a 4 into 1 collector with a 4 inch diameter megaphone. An O2 sensor bung is already welded in place. The system comes with mounting hardware.

ZX14 systems include templates for the fairing modifications which are required for installation.

Hayabusa systems also include billet block-offs for the removal of the oil cooler and templates for the fairing modifications both of which are required for installation. They are in stock for immediate shipment.
